IRB Action Date 04/17/2014

IRB Protocol # 1403006286

Study Title Digital Synesthesia

At its meeting on 04/17/2014, the Committee On the Use of Humans as Experimental Subjects reviewed the above mentioned protocol and determined that specific minor revisions are required. These revisions are noted below. If you agree with all of the committee's revisions, incorporate them in a revised protocol and/or consent form and submit it to the COUHES for expeditious review.

If you disagree with the committee's recommendations, you may do the following: Please justify to the COUHES why the revisions should not be incorporated.

Requested Revisions:

The details provided in the "Procedures" section of the consent form should also be included in the "Study Protocol" section of the application form.
